FROM: *[Signature]*
 JESUS L.R. MATEO
 Undersecretary

SUBJECT: STATUS REPORT ON THE FILLING-UP OF DENTIST ITEMS

DATE: May 23, 2018

In a study by the Department of Health (DOH) and the Philippine Dental Association, oral disease continues to be a serious public health problem in the Philippines. Toothache is a common ailment among schoolchildren, and is the primary cause of absenteeism from school. A National Technical Working Group (NTWG), where DepEd is member agency, was created to look into the oral health problems.

In a Cabinet meeting last April 2018, the President instructed the Secretaries of Education, Health and Agriculture to coordinate and come up with a program to support the Philippine Oral Health Program of the DOH. During said meeting the recommendations for DepEd is to strengthen oral health in schools through DOH-DepEd partnership and to establish a dental health facility in all central elementary schools (equipment/supplies and manpower).

In this regard, may we request reports/updates on the filling up Dentist items, following this sample template:

Name RO/SDO	Filled (indicate item #)	Unfilled (indicate item #)	Deployment (RO/SDO, school, etc.)	Issues/Concerns (if any)
Regional Office				
RO - Proper				
SDO				
Total				

Each region shall submit the summary report with attached office submissions from the SDOs to BHRD-OED on or before May 30, 2018 to bhrod.oed@deped.gov.ph and cecilia.tiamson@deped.gov.ph.

Thank you for your continued support and cooperation.
